

# COLLAGEN VEIL HYDRO ACTIVE

For dry and dehydrated skin

## Directions for use

### PREPARATION PHASE

Cleanse skin with a mild cleanser and lotion.

Remove dead cells with **FACIAL or GENTLE EXFOLIATOR**  
Or apply **PEEL MASK** which contains pineapple and grapefruit enzymes

How to use the Peel Mask: Apply the **Peel Mask** with finger tips or a brush.  
Apply steamer **without ozone** for **5-10 minutes**, then massage lightly with moistened finger tips to remove dead cells. Rinse skin with lukewarm water.

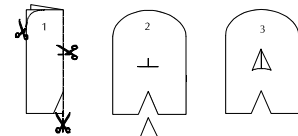

Apply steamer with ozone for 10 minutes

Extract impurities by your normal method. Rinse with a lotion.

Apply the healing and antiseptic **BIO AROME "E"** essence on the prepared skin.

### TREATMENT PHASE

1. Apply **EYE CONTOUR SERUM** on the eye contour area.
2. Using a cotton wool pad, moisten skin with **COLLAGEN ACTIVATOR**.
3. On moistened skin, apply **REVITALISING SERUM\*** or **MULTI VITAMIN SERUM\*** depending on client's skin type. Massage until completely absorbed.
4. Fold a sheet of **COLLAGEN VEIL** in half. Using fingernail, measure off nose and chin.

5. Cut the mask, to correspond to the nose and chin measurements.
6. Apply the mask to the face. Moisten mask with **ACTIVATOR** using a brush or sponge. Start from the centre moving to the sides of the face, to eliminate air bubbles under the mask.
7. Allow the mask to do its work for **20 minutes** making sure it remains moist. If necessary, add more **ACTIVATOR**.
8. Remove the mask by rolling it off, starting from the forehead and rolling it down.
9. Complete the treatment by applying **NOURISHING CREAM** or **HYDRO VITALE CREAM**

### FOR CLIENT'S HOME USE

**NOURISHING CREAM** for dry skin, **HYDRO VITALE CREAM** for normal skin (base cream)

**HYDRO SENSITIVE CREAM** for dry and sensitive skin.

Also counsel client to use **\*MULTI VITAMIN SERUM** (for dull and dry skin) or **\*REVITALISING SERUM** (for devitalised skin) at night under the cream.
