

LIFTING MASK

Tightens facial contours and neck

Directions for use

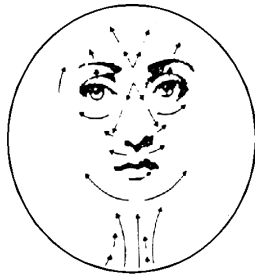

PREPARATION PHASE

1. Cleanse skin with a mild cleanser and a lotion.
2. Massage the face and neck with a few drops of **SUPERVITAL OIL**
3. Mix in a bowl with a brush

**1 large teaspoon of POWDER with
1 large teaspoon of GEL**

The mixture is ready when it becomes smooth, light and fluffy.

4. Apply the mask with long brush strokes in an upward and outward motion as shown in the diagram.

5. Let the mask act for **30 minutes**.
6. To remove the mask, moisten it thoroughly with warm water. Wait for 1 to 2 minutes for it to soften. Then clean sponge with warm water.
7. Complete the treatment with the Gentle Lotion and an application of **FIRMING CREAM** or **NOURISHING CREAM**.

FOR CLIENT'S HOME USE

FIRMING CREAM for sagging skin.

NOURISHING CREAM for dry skin

Also counsel client to use **REVITALISING SERUM** at night under the cream.
