

COLLAGEN VEIL LIFTING

Hydro-active and firming

Intensive hydration and tightening of skin tissue.
An excellent facial for dehydrated skins lacking tone.

DESCRIPTION:

Designed as a "second skin" the Collagen Veil is made of fibres obtained via freeze drying. On its way into the skin the native collagen can combine with water soluble active ingredients from ampoules and serums, making collagen one of the strongest delivery system known in cosmetics.

ACTIVE INGREDIENTS:

Freeze Dried Native Collagen Fibres:

- Prolonged moisturising of the epidermis
- Moistened by the Activator, the Veil promotes the transfer of active ingredients through its occlusive effect.

Protein tensor:

- The superb moisturizing effects of the Collagen Veil Lifting is combined with a noticeable tightening of the skin tissue
- The surface of the skin becomes smoother and more supple.

RESULTS:

Moisturises and protects:

The skin becomes more elastic and silkier to the touch and wrinkles are attenuated.
The face takes on a more youthful appearance.

APPLICATION FREQUENCY:

As part of treatment series: Once a week

For maintenance: Once or twice a month

At home

Daily care: Firming Cream

Intensive care: Serum Repair in the evening under the moisturiser

Application

1

Apply the Repair Serum and/or an ampoule

2

Apply and moisten mask with Activator

3

Leave mask on for 30 minutes

4

Remove mask

5

To end treatment, apply Firming Cream
