

COLLAGEN VEIL HYDRO ACTIVE

Intensive moisturizing

Restores suppleness and softness to dehydrated skins and plumps up wrinkles.

DESCRIPTION:

Designed as a "second skin" the Collagen Veil is made of fibres obtained via freeze drying. On its way into the skin the native collagen can combine with water soluble active ingredients from ampoules and serums, making collagen one of the strongest delivery system known in cosmetics.

ACTIVE INGREDIENTS:

Freeze Dried Native Collagen Fibres

- Offers intensive moisturising of the epidermis
- Plumps up wrinkles and fine lines
- Moistened by the Activator, the Collagen Veil promotes the transfer of active ingredients through its occlusive effect

RESULTS:

Moisturises and protects : The skin becomes more elastic, supple to the touch and wrinkles are attenuated.
