

# PHYTO MASK

## Hydro-Vitalizing treatment

A flexible peel – off facial with essential oils. A moisturising treatment for all types of skin, it repairs, balances and nourishes the epidermis, which takes on a fresh glowing look.

### DESCRIPTION:

An original formula enriched with a moisturising agent, the Phyto Mask is a fine powder to be mixed with water and applied by spatula. The mask rubberises after a few minutes and is easily peeled off in a single piece.

### ACTIVE INGREDIENTS:

#### Complex of seaweed powder

Helps the skin to recharge itself with essential minerals and to retain water

#### Nalidone®:

A highly efficient physiological moisturiser

**Phyto complexes:** A choice of 6 complexes to apply under the mask

Natural essential oils to help overcome the skin's lack of essential elements

**PC1: Diffuse Redness/Sensitive Skin:** *Angelica, Cypress, Chamomile, Bitter Orange, Lavender.* Soothing and decongestive. Protects and tones superficial capillary vessels

**PC 2: Oily Skin:** *Curcuma, Niaouli, Marjoram, Sage, Lemon, Rosewood.* Non-irritant antiseptic action, normalises oily secretions, refines skin grain, purifies and clarifies complexion

**PC 3: Dry Skin:** *Bitter Orange, Cistus, Origanum, Jasmin, Iris, Rosemary.* Moisturises and stimulates, preserves the skin's protective film

**PC 4: Sagging Skin:** *Rosewood, Niaouli, Eucalyptus, Rosemary, Patchouli.* Stimulating, toning, reinforces skin firmness, defines features

**PC 5: Wrinkled Skin:** *Hops, Costus, Geranium Bourbon, Angelica, Bitter Orange.* Stimulating, attenuates and prevents appearance of wrinkles

**PC 6: Intoxicated Skin:** *Curcuma, Sweet Lime, Red Thyme, Savory, Garlic, Celery.* Purifies and clarifies complexion, desensitises and soothes

### RESULTS:
