

MINERAL SEAWEED MASK

Revitalising Mask

A mineralising treatment with algae designed for all types of devitalised skin. An invigorating and vivifying treatment, it brings well-being to tired and lifeless skin which rediscovers its vitality.

DESCRIPTION:

Thanks to its mixture of algae extracts, this mineralising treatment compensates for the deficiencies of the epidermis, adding moisturising and nourishing substances.

ACTIVE INGREDIENTS:

Sea cabbage:

Remineralises and revitalises the epidermis thanks to the presence of minerals responsible for water balance and for the cellular metabolism

Spirulina:

Provides the elements essential to achieving the right balance in the epidermis

Horse Chestnut:

- Soothes and forms a moisture retaining film on the skin
- Increases the skin's defence mechanism and strengthens connective tissue

RESULTS:

Generates energy: the presence of trace elements revitalises and stimulates tired and lifeless skin.

Firming: the skin becomes firmer and smoother.

APPLICATION FREQUENCY:

As part of treatment series: Once or twice a week

For maintenance: Once or twice a month

At home

Daily care: Firming Cream or Nourishing Cream

Intensive care: Revitalizing Serum in the evening under the moisturiser

Application

1

Mix the powder with 1 oz. luke-warm water using a spatula

2

Apply mask with a brush starting from center of face

3

Let the mask act for 20 minutes. It will dry

4

Remove mask with moistened sponges

5

To end treatment, apply Firming or Nourishing Cream
