

VITAMINIC MASK

Vitalizing and energizing

A flexible peel-off facial for lifeless, dehydrated skins, lacking tone.
An exclusive formula designed to optimise the exceptional properties of vitamin C.

DESCRIPTION:

The combination of a serum rich in vitamins and a flexible, soft modelling mask enriched with vitamin C, results in a vitalizing-energizing treatment helping to replenish the skin's energy reserves and improving its elasticity.

ACTIVE INGREDIENTS:

Algae Extracts:

- Help the skin to replenish its store of essential minerals
- Prepare the epidermis to take advantage of the vitamins.

Vitamin C:

- Blocks free radicals, protecting the DNA and cellular protein.
- Enhances the firmness of the skin via the synthesis of new collagen and stimulates micro-circulation of the blood

Vitamin F:

- Promotes moisturising of the epidermis

Vitamin A:

- Nourishes, softens, smoothes surface texture and enhances suppleness

Vitamin E:

- Neutralizes free radicals and helps combat the harmful effects of UV radiation
- Protects against the effects of pollution, including tobacco smoke

Vitamin B5:

- Provides surface protection, stimulates cell reproduction
- Repairs tissue and has long-lasting moisturising properties.

Vitamin B6:

- Regulates sebaceous secretions and prevents skin dehydration.

RESULTS:

Generates energy, well-being and elasticity:

Speedy glowing effect. The complexion becomes clearer, the skin denser and the features better defined.

Improves and tones ageing skin: Reinforces skin firmness and inhibits the harmful effects of day to day environmental factors. The skin quality improves.

Application

Apply Multi Vitamin Serum

Spread VitaminiC Mask using a spatula

Leave mask on for 20 to 30 minutes

Remove mask

To end treatment, apply a moisturizer

APPLICATION FREQUENCY:

As part of treatment series: Once a week

For maintenance: Once every three weeks
